

Journal Entry General Guidelines:

- The journal entry should include the date of entry and response.
- Each journal should be a minimum of 2 double-spaced pages formatted in APA style. Please see the Journal Rubric for additional information guiding your writing and subsequent grading.

ATTENTION:

[In writing your journal entry for this week:](#)

Since this is the last week of this course, you are to create and share a summative reflection on this course.

- **Please describe what part(s) of this course have impacted you both personally and professionally.**
- **How has your thinking changed with regard to various cultures or groups?**
- **You can reflect on specific parts of this course or provide an overall personal reflection.**
