Case Study Guidelines and Rubric

You will complete a total of four (4) Case Studies. Case Study assignment details are on the module content page for each module in which a Case Study is due.

Utilizing APA format, write a two page paper pertaining to your analysis of this issue.

The Case Studies will be evaluated based on the following criteria:

1. **Thoroughness:** Extensively develop the issue presented in the Case Study. Show depth and understanding of the subject, and apply it to current local agency practices. The paper must clearly identify its focus and logically analyze and discuss the topic.
2. **Scholarly quality:** The assignment must meet acceptable college level standards with respect to form and substance. Present the ideas in a clear, concise manner. The paper is in correct format with little to no typographical, spelling, or grammatical errors. (Note: Each error deducts points off the grade.)

Submit each Case Study to the assigned Assignment box **no later than Sunday 11:59 PM EST/EDT in Modules 2, 3, 5, and 6.** (These Assignment boxes maybe linked to Turnitin.)
