

Virtual Team Assignment #2

Augmented Reality

Description

Augmented Reality technologies are being developed and pushed by those tech giants such as Microsoft and Facebook. Watch the TED videos about the applications of Augmented Reality.

Video URL: <https://www.youtube.com/watch?v=1cQbMP3I5Sk>

Answer these questions: 1-What new terms were introduced? 2-What new ideas were introduced? 3-What did you learn? 4-How can you use this in organizations?

Submission

Due date and time

- **Individual posts (Due date: your team's schedule, but no later than 2/20 at 2 PM on Group Discussion Board)**
- **Assignment submissions (Due date: 2/20 at 11:59 PM). Note: the assignment must be submitted to Blackboard/Assignments**

The team leader will need to submit the virtual team assignment (the summary of members' posts) to Blackboard under Assignments section. The assignment should be submitted in a Word or PDF file. Click on the virtual team assignment to browse the file and submit it (e.g., VT#2). Each submission must include the **virtual team number, the names of every group member who participate in the assignment and those who do not post anything on Group Discussion Board or do not make any contribution to the assignment.** If the team leader does not submit the assignment, the entire team will receive a zero unless someone in the team takes over the leader's role and complete the submission. This must be noted in Comments area when submitting the assignment.

Ask for help if you don't understand. Only submissions on Blackboard will be accepted. NO hard copy please!!

Grading

This assignment is worth 5% of your overall IST101 grade and will be graded based on the quality of paragraph organization and the answers to those questions. There is no limit on maximum pages.
